Rent a  
Garden Plot  
Today!!

Limited garden plots are available to individuals and organizations interested in gardening, nutrition and wellness. We have 24 total plots, approximately 12' x 4' x 12" in size, that we are renting for the low price of \$20 per plot per season (two growing seasons – Spring and Fall). The renter of each plot will receive a key to the Community Gardens and have access each day from 8 am until dusk. Plot holders are free to grow their own choice of vegetables, herbs, flowers, etc., in their own plot(s) subject to local laws and the recommendations of our Master Gardener. Complete the form below to apply for a plot and return it to Pictona (Attn: Rynn Goldstein, Senior Activity Center Director). If you have any questions, please call 386-238-9276 or email [rynnng@pictona.org](mailto:rynnng@pictona.org).
