### **Selkirk America's Pickleball Challenge at Pictona**

It was a beautiful four days for pickleball until Saturday afternoon when a ferocious storm blew through Pictona. We scrambled from the open courts to the 8 covered courts, which are protected from lightning to complete Saturday's play. Staff, volunteers, and players all cooperated with the adjusted schedule, the last match ending at 11:30 pm.

Keith Howell, in his new role as tournament director, orchestrated the event with the capable help of April Price, who behind the scenes kept the schedule of matches moving efficiently with the steady release of text messages to players. Many volunteers, some who worked every day of the tournament, made it possible to conduct a tournament with nearly 600 players. These volunteers included our referees coordinated by Walt Hooker. They refereed all playoff matches.

Our April Fools Party was a hit with 150 or more attending. The party, sponsored by Tijuana Flats and S.R. Perrott, provided free food and drink to all participants. We appreciate our sponsors. Our Community Relations Director, Deb Christiansen, was the joyful jester mingling with the players. We saw lots of outstanding pickleball played and excellent sportsmanship. Most of all we saw many people having fun. To those who helped conduct the tournament and to all who participated, a sincere thank you from Pictona's management team.

## Thank you to all of our Volunteers!

A big "Thank You" to all 65 volunteers who helped out during the four days of the Selkirk America's Challenge Tournament last week! The great, positive responses from participants ("Fantastic tournament full of fantastic people" & "Awesome, friendly, helpful ppl!" are just a couple samples of what we've heard) in spite of challenging wind and torrential rains is because of YOU.

This was my first time running a tournament or coordinating anywhere near this many volunteers. You made the best of my scheduling errors and made this event a success. I am deeply appreciative of you all.

-Keith

**We would like to thank all the volunteers who helped with the Selkirk America's Challenge Tournament. Thank for helping to make this a fun and successful tournament.**

**We couldn't do it without you!**

# MISSION POSSIBLE

Help us offset the growing costs of Pictona 2.

Your contribution will help us become a World Class Facility!

**In just three weeks we've raised \$21,500!**

We want to thank all of you for your ongoing support for Pictona and making it the success that it is.

At Pictona, we believe in a strong, healthy community. Our mission is to provide the residents of the greater Daytona area with the opportunity to play pickleball for health, fellowship and fun. Pictona at Holly Hill is open to all people, offers activities to accommodate all age groups and skill levels, and provides opportunities for instruction, recreational play, and competitive play. In addition, the Senior Activity Center (SAC) is dedicated to helping local seniors (& visitors!) improve their health through physical activity and better nutrition.

*(All donations are tax deductible)*

### **When exiting Pictona onto Ridgewood...**

When you leave Pictona and turn onto Ridgewood, **you must turn right**. While most of you are probably already doing this, some people have been known to turn left in order to go north. The Holly Hill Police do not take kindly to any left turns out of Pictona, so save yourself from receiving a ticket and head right (to the south).

### **Patellar Tendinitis**

Patellar Tendinitis is a common condition that can affect both recreational and highly competitive athletes. This is especially true for Pickleball players due to the constant moving/running. For more information about this condition, including symptoms, causes, treatment and recovery, you can [read Dr. Barr's article](#) on our website.

## PLAYER SHOP

### New Merchandise Soon!

You've probably noticed that it's mighty slim pickings in the Player Shop in the shirt department! Don't despair, however, as we will have a complete new stock of shirts in about 3 weeks including a few new colors to choose from. Hopefully the supply chain will start getting back to normal and making it easier for us to keep items on hand.

We've appreciated the excellent response to our Fila shoes! Fila, too, has been experiencing difficulty in getting shoes so our initial order had a very unique mix of sizes and colors. We have put an order in for a more "normal" mix of sizes for both men and women and we will update you when they will be coming...

## PICTONA 2

The last two weeks has seen a lot of progress in the erection of the stadium and covered courts.
