## VOLUNTEERS

### Congratulations to our May Volunteer of the Month - **Edward Juskelis!**

**Edward Juskelis** is a true treasure for Pictona. He was one of our first members to reach out to Pictona and the instructional program and offer his services. He volunteered to take our PB101 training class and assisted in this class for over a year. As our program became more popular, he stepped up to become a lead volunteer instructor.

When we requested someone who could offer this class on Saturday afternoons, Edward volunteered for that time slot. He now teaches this class (often with the help of **Leslie Gray**) every Saturday he is available. This has assisted us in providing our working folks access to PB101 on a weekend instead of weeknight. It has become a very popular option.

Edward has helped us in so many ways. This includes, all of our beginner classes, round robins, drill extravaganzas, and our rehab outreach. We barely have time to ask, "Could you help with...? before he says yes.

Edward is passionate, knowledgeable, patient, and kind in his approach to instruction. He repeatedly tells us that he gets great joy and satisfaction from helping students fall in love with Pickleball.

If you see Edward around the facility, please let him know that you appreciate the time he devotes to helping make our instructional program at Pictona a success.

If you'd like to volunteer to join the Pictona Success Team of Volunteers, click [here](#) and explore the many opportunities to help us continue to make Pictona the best pickleball facility in the United States!
