- (1) Our **Annual Base Rate** provides entry to Pictona throughout the year to participate in Open Play and to partake in other services for an additional fee.
- (2) The new **Annual Plus Rate** gives you unlimited participation in all Programmed Events for the year rather than paying \$5 for each session. You save money with this rate if you play in one Event each week throughout the year. (This Plus rate is not to be confused with the previous Plus rate that offered discounts in the Kitchen and Player Shops. It will be phased out as those memberships expire.)
- (3) The **Monthly Auto Renew Rate** requires you to commit to a one-year membership. We bill you monthly at a slightly higher rate than the annual rate. A signed agreement is required.
- (4) The **Monthly Auto Renew Plus Rate** is the same as #2 with the addition of unlimited participation in Programmed Events for the year. A signed agreement is required.
- (5) The **Monthly On Demand Rate** provides a monthly rate without an annual commitment to membership. No Programmed Event participation is included.
- (6) Our **Daily Attendance Fee** increases to \$15. It provides visitors with access to any Open Play courts and to participate in Programmed Events with the payment of a \$5 fee.
- (7) We offer a **Pic-10 Pass** for a 20% discount from the Daily Rate. It is good for 10 visits to Pictona.
- (8) Rates 1-5 are considered Membership Rates and rates 6 and 7 are visitor rates.
- (9) We also offer a **Group Rate**, a 20% discount to the Daily Rate to groups of 8 or more players when made through our Events Manager prior to arrival and paid as a single payment. Send your group reservation information to events@pictona.org.
