Covered Courts & Inclement Weather

In response to valued feedback, we've revised our inclement weather policy. Moving forward, during inclement weather Challenge Courts play on AdventHealth Court #4 and MetroHealth Championship Court will convert to Open Play to ensure everyone

can continue enjoying pickleball. Your insights drive positive changes – thank you for making Pictona better together!

Drilling & Ball Machine Policy

- Doubles play takes priority over singles play and drilling in Pictona's Court Utilization Plan.
- Players are permitted to use courts 21, 22, and 31-44 for drilling without a reservation, provided they are not already reserved, being used for POP! events, and no paddles are in the Next-Up queue. Personal ball machines are permitted on these courts for drilling purposes.
- AdventHealth covered courts 1-3 can only be used for drilling purposes when the court is reserved by a player.
- The only covered courts that ball machines can be used on are AdventHealth Courts 1-3 with a reservation during eligible times.

Züca Rookie Rally - That's a Wrap!

We had over 300 players compete in this year's tournament. Feedback from players is that they love the round robin followed by playoff format. On Saturday, overnight rain provided a damp start but the courts were dried off using our VAPTR machines and no matches were delayed. Sunday had no issues and all games were completed per our schedule.

Our team of referees provided excellent support each day supporting most of the gold medal matches as well as bronze medals, playoff games and round robin matches as scheduling allowed.

Thank you to all those players who participated in this year's ZÜCA Rookie Rally. We plan to hold the tournament again in 2025.

VOLUNTEERS

**Congratulations
Sharon and Randy Bestul!**

Congratulations to Sharon and Randy Bestul as the February Volunteers of the Month.

During the Züca Rookie Rally, Randy and Sharon volunteered their time and services on both Saturday and Sunday - exceeding the hours they signed up for by providing excellent assistance to the new Volunteer Coordinator, Rick Persons, in his first tournament.

Randy was responsible for checking in the Rookie Rally participants, who may have been playing in their first pickleball competition, answering many of their questions and concerns with patience and a concise explanation.

Sharon, likewise, was a huge contributor to the team as the Volunteer Coordinator Assistant. Sharon gladly assisted beyond her assigned shift with enthusiasm and an infectious smile that was contagious to the entire team.

Thank you Sharon and Randy!

If you like Country music, you're gonna love this concert! J Alan Six grew up in a small town in Indiana where he spent his early years helping out in the church and found his love for entertaining by singing southern gospel most Sunday mornings. Growing up in rural Indiana, he was no stranger to classic country which influenced his love of the genre.
